

FACILITATORS

"THE POWER OF YOU"

*Reclaiming your identity
and falling in love
with who you are.*

WILLIE CARTER

Over the past 30 years Willie has honed her skills by traveling through an array of career opportunities as a vocational and life coach, an administrator and facilitator/trainer, primarily in the areas of government, the social services field and small business. She loves learning and has her BA, BSc and is a graduate of Coach University. Willie has a passion for helping people bloom into their authentic selves and helping them design a life that matches who they naturally are.

GERRIANNE CLARE

Gerrienne has over 30 years experience in the areas of health care, education, administration and business. She holds a Masters in Nursing and specializes in helping people connect with their heart. Gerrienne has focused her energy throughout her career and personal life supporting people to be the best that they can be. She is passionate about helping people create extraordinary lives by helping them step into their power and fall in love with who they are.
